kuen horng Professional / Commitment / Assured

● Medical Consumables Plastic Parts

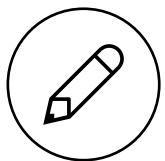

All kinds of plastic parts of medical consumables of type 1, 2 and 3, such as: plastic parts of hemodialysis consumables, HDF (Hemodiafiltration), pressure test protective cover, plastic parts of precision infusion sets, consumable parts of IV-set flushing sets, respiratory department, anesthesiology department, Surgical operation and other spare parts, safety needle cover, male and female needle base dust cover, cotton swab box, Pipette tip, laboratory consumables, tip collection box, nucleic acid detection plate...etc. 100,000 class clean room injection manufacturing, welcome OEM OR ODM.

● Manufacturing of precision high-engineering plastic parts

Smart car connector parts, pusher parts, two-color hand tools, high engineering plastic gears for bicycles, telecommunication terminals, office furniture, stationery...etc.

● Mold development

Provide customized service, welcome ODM&OEM.
